Tucuman, N. M., Oct. 29th, 1913, El Paso, Texas.

Dear Sirs: Two years ago I decided that I would like to have some money in real estate and after looking around decided that the Rio Grande valley near El Paso offered the best investment, so I made a trip down to El Paso and after looking over both valleys above and below El Paso, decided that the Mesilla valley above El Paso suited me best. After making a personal inspection by myself and through agents I finally bought 80 acres of land through Mr. Bailey, of your company, and I wish to say that I was very pleased, not only with my bargain, but with the accurate and complete information given me by Mr. Bailey, and at the time I was well satisfied and have remained so. I do not believe that I could have made a better buy under any circumstances.

I might add that a substantial profit was offered as I bought the land at \$75 per acre, and within four months received an offer of \$90 per acre for same.

Yours very truly, H. W. Loggins, Engineer E. P. & S. W. R. K. Co.
